Is your organization or business in Oberlin or Wellington interested in:

- Becoming a public distribution site for Naloxone rescue kits?
- Having Naloxone on-site in case of an emergency?
- Receiving training on recognizing accidental overdoses and how to use Naloxone?
- Learning about substance use disorders, addiction and its impact on individuals and families?

CONTACT Debbie Kelley, Program Coordinator, at dkelley@thelcadaway.org or 440.989.4927 for more information!
